Sunday, January 3, 1897

This has been a nice day only cold I got the Children off to Sunday School they got their Photoes then I cleaned Grandpa up and changed his clothes helped Jennie some on the dinner then I wrote two lettes one Home and one to Cousin Sallie then Jennie and I went over to town and took the car up to Forsythis Had a fine time Pop took the children over to Sea Bright we are all off early to bed tonight all as well as usual

Monday, January 4, 1897

This has been a nice day I was up early built the fire and got the Breakfast started Jennie and I washed till after noon then this eve I done some of the trimming Edna went over to Ovas with a note from Jennie the Woman's Home Companion Care Pop and Grand Pa went down town Jennie has gone out tonight over to Sea Bright Cora came up I feel very good but tired I did not knit much All well

Tuesday, January 5, 1897

This too has been another fine day I made a loaf of Brown Bread. Pop went for Porter took Grand Pa over to Joses. He took the children down and got them some shoes. I went over to the Dr this after noon and to McCormicks they were not at Home so I spent the aft at Mrs Whites. Alverda over to Adeles Edna to Uevas. I finished my sock tonight Alverda read a letter from Mabel All Well

Wednesday, January 6, 1897

This has been another fine day. I went into Mrs Everts this

morning Miss Garmon came and gave Alverda & Luene their lesson Mr Marbut came up this aft Pop took us all down town Grand Pa came Back before we did. I did not do much today only a little mending We are to go and get our teeth fixed Friday afte Alverda read a letter from Fannie I feel tired tonight. All the rest are well.

Thursday, January 7, 1897

It seemed a little hazy here today and quite cold I worked on the Doll clothes all day made Alverda a new Pair of Panties and tucked her Skirt and a new white dress Luenes a new Skirt and a white dress Ednas a white dress Vera & Lillie came over also Bertha Pop Grand Pa and Luene went out for mustard greens Jennie went down town I helped the girls with their music tonight one of our little chicks died all as well as usual.

Friday, January 8, 1897

Another pleasant day I cleaned up our room & changed the Beds & cooked some Greens this afternoon Pop took us down town I had two teeth filled and Luene had three I got almost 7 7/5 yds of 40 inch blue serge for \$13.00 I helped the children with their music and went down and meet Agnes and walked Home with her Jennie gone out Elsie Vaner Lucille and Adah came over All as well as usual.

Saturday, January 9, 1897

Another fine day and I was up early and helped Jennie wash A & Luene took their music Lesson this aft Pop took Gramp and myself over to the Dr and out to Mrs Reeves to see Mrs Jonstons Piano then I came back and went in to see Mrs Bamford Came Home and Ironed some and then I went out to

meet Agnes She will go with me tomorrow Jennie has gone out a gain tonight All well

Sunday, January 10, 1897

This has been a fine day I made a Carot Pudding and got the chicken on to cook then had Breakfast got the children of to S school wrote 2 letters one Home and one to Queen then Pop took Agnes and I out to look at the Piano I will not take it I don't think I wrote another letter to Emma S- went in to see Agnes came Home Had Lunch helped the children with their music Jennie took the children out for a walk All well.

Monday, January 11, 1897

This was a lovely day I made a loaf of Brown Bread and went in to Mrs Manns Mrs Holmes was here to dinner this aft Pop and I went over to tell Mrs. Johnstons we would not take the piano then we went down to Mrs Meades and down town and Home I helped Jennie make a flowers piece for Mr. Marel the children started Back in School today I wrote a Postal to the B & a letter to the Emporium for jacket samples. All well.

Tuesday, January 12, 1897

This was a gloomy day I got the sleeves to Luenes dress fit and almost made I went into m this morning Pop went down town this aft to a Bank meeting Jennie and her mother went to Mr Marches funeral Mrs Holmes came back here and Had a cup of Coffee I started to help the children on their Pieces tonight Edna went down to call on the Smith children All well

Wednesday, January 13, 1897

Another cold gloomy day with a shower of rain I went in to

Mrs. Manns to get some white silk thread then I washed out the Lace for the neck of Luenes dress & got it ready to do the Hard work on it then I washed Gramps fut Pop cleaned the Surni\* and got it ready to varnish Mrs. D came over and Brought some butter milk Miss Garmond came & Luene & Alverda took their lesson all well as usual

Thursday, January 14, 1897

This was a cold morning I was up early could not sleep I finished Luenes dress got the cloak Samples from Hale Bro they were not very good Pop is varnishing the Lumir\* we did have a time about the old nickel who took it is the question Mrs Miller came over and spent the after noon Had a fine visit with her I started to knit a pair of slippers All well

Friday, January 15, 1897

A white frost this morning and cold I cleaned up our room and changed Grandpa Bed and helped Jennie cleann up the Sitting room then I Helped Pop with the varnishing in the Sitting room this afte I went over to Mrs. Everts to the Aid Society I did not do much work. I got the Samples from the Emporium they are very nice. I gave Grand Pa his bath and changed his clothes All Well.

Saturday, January 16, 1897

This was a disagree able day Jennie and I Washed but we did not get the clothes dried it misted so much Wilma came over and stayed to dinner then Pop Grand Pa & I took her down town we did not stay for it misted too Hard this eve Agnes came over and Jennie and I went down to see the Devils Auction Played Miss Garmon came and gave the children A & L their lesson All

Well

Sunday, January 17, 1897

This has been a fine day but a little cold. I got the children off to Sunday school then I made two Pies and a Carrot Pudding a big fat one this aft Pop took us for a drive around the cliff came Home got Lunch wrote a letter Home and to the Emporium went in to M a few minutes Edna gone with the Smith children out for a walk Jennie gone out a bright moon light evening All Well

Monday, January 18, 1897

Another fine day Pop plowed some of the yard up Grand Pa went over to Hodges I ironed some before Breakfast then I fit A dress and worked on it all day I think it will look good I read a Postal from Mrs S R Mead of Stockton and a letter from Mrs T of San Francisco Edna is trying to learn to ride the Bicycle Alverda wrote to Fannie Pop went for Porter my side Pains Well

Tuesday, January 19, 1897 \*

This has been a fine day I sewed all fore noon Pop finished the Plowing and got the ground in good shape this afte I dug up a Secil Brunar rose & some Parsley and took a slice of pudding out to the Dr and some out to Mrs Dunning also we did not Stay very long out there got a letter from Home I knitt some this eve. I feel tired and Sleepy and not very well the rest are Well

Wednesday, January 20, 1897

It was cloudy this morning and looked like rain. but it cleared away after dinner and was nice & Bright and warm the moon Shines bright to night. I finished Alverdas dress and got

Grand Pa shirt collar ripped off got some more Samples from the Emporium do not like them. Jennie went Home this afte and out tonight music teacher gave A & L their lesson Well

Thursday, January 21, 1897

This has ben a nice day I ripped up Luenes Blue and Grey dress and got it wash and pressed Pop took Grand Pa and my self down town this fore noon I got a pudding moule but it is too small so I must change it and get a larger one I got some cards to mount the pictures from Japan on this aft I went and called on Mrs Longstretta and Mrs McCormick had a nice visit All Well -

Friday, January 22, 1897

This was a most splendid day till late this after noon then the wind came up the fog came in I cleaned up my room & Grand pa also and fixed the collar on his Shirt this afte I went down town and got Edna & Luene a jacket they did not suit me very well. I also called on Mrs Bliss and Mrs Towns I got two of the Slippers ready for the sole All Well

Saturday, January 23, 1897

This has been a miserable day I was up and made the fire but C.RC called and I did not do much Jennie did the washing a Piano agent called Miss Dixon also Miss Garmon gave Luene & A their lesson Willkie came in a few minutes I transplanted my Pansys Pop Grand Pa & Alverda went down town A got herself a nice pair of Gloves for 50 cents I got one slipper on the sole Jennie went Home with her mother & stayed all night Well

Sunday, January 24, 1897

It seemed cloudy this morning and threatened rain but this

after noon it was clear and the sun shone warm The children went to Sunday school and Pop took them for a walk this after noon Jennie also went out I remained at Home & wrote three letters one Home one to Aunt Sinnett and one to Mrs Thistlethwaite some of us have a cold rest well

Monday, January 25, 1897

This has been a nice day although the north wind blew for a little while Pop and Grand Pa spaded up the front beds this morning I ironed some before breakfast and made a loaf of Brown bread then I went to work on Luenes dress and got it almost finished Pop took me over to get my Bottle filled and Alverda had a fever at 103 [degrees] so I took her over & got some medicine for her rest All Well

Tuesday, January 26, 1897

It was cold this morning but it was a fine day for Winter after all. I finished Luenes dress & finished another Pair of Panties Alverda did not go to School Pop took her & I over to the doctor this afte got Some more medicine for her She has a head ache tonight Jennie gone out Had a letter from Home children got the measles wrote a letter to them all the rest are well as usual.

Wednesday, January 27, 1897

This has been a changeable day a little rain some wind and a very little Sun shine Alverda is Better today but did not attend School Miss Garmon came but only Luene took her lesson Pop and Grand Pa went down town this morning I went in to Buckleys to get the cough Syrup and took it in for Mrs Mann I worked on the drawers again Pop layed some clam shell in front

of the store room door Well

Thursday, January 28, 1897

This has been a damp day it was cloudy all day and this after noon it commenced to rain and is still at it at this writing. Mrs Reynolds called this fore noon and Fred Howe this after noon all wanting to sell pianos Alverda seemed to have a cold in her Head but her fever is not so High Pop went down town I got my other slipper top done sewed on drawers All Well

Friday, January 29, 1897

Oh my but it did rain hard last night and the wind did blow too but it did not rain much today Alverda seems better but not well. I have at last gotten all of the childrens Panties done to Button Holes Wilkie came over and brought some Brown bread Mr Samuel called also Pop went down town I got our room cleaned up after a fashion but not clean gave Grand Pa a scrub and am now off Well

Saturday, January 30, 1897

It looked like it might clear off this morning but soon it began to cloud up and come down so we did not get the clothes dry at all. Alverda seems better but her Tonsils are swollen some I went down town with Mrs Reynolds to see her Piano also in to see Bertha Miss Dixon called it is raining a steady down pour now Pop down town he has a sore throat all the rest well

Sunday, January 31, 1897

This has been a rainy old day, the children did not go to Sunday school nor I did not write any letters I cleaned out Grand Pa's Ears and brushed his hair and made some Syrup candy for

the children Mary Mann and the children left for Salinas I read some this afte and Helped Luene on her music Pop has a sore throat and cold Alverda is not well yet I went in to Manns It is still storming All the rest well

Monday, February 1, 1897

Another disagree able day it rained Hard this morning and some all day but has stopped at this writing I was in to M- today and both Mrs Mann and Mrs Everts were in here this aft Alverda's fever came up this evening Pop seems no better and my throat is sore tonight I finished my drawers to trimming and button Holes tonight and you guess I am tired got 2 letters from Mary S and McKay All rest well

Tuesday, February 2, 1897

This has been a fine day I got up and fed the Horse and chickens and cleaned out the chicken house sent Edna over for Dr Chamberlin for Alverda and Pop he was here twice today they are both better today got a letter from Home Ray is all right none of the rest Have taken it as yet I got lace enough made for one Pants leg Mrs Mann came in got the wheat meal All Well

Wednesday, February 3, 1897

This is Sister Elaza's thirty Sixth birth day It has been misty all day Miss Bertha B- and I went down to see Mrs Renyolds Piano But I will not take it Jennie and I got up last night murphy Horse made such a racket and I took cold I feel miserable tonight the Dr came to see Pop and Alverda A- had earache to night I got a letter from Sammie and wrote one Home all the rest well

Thursday, February 4, 1897

This has been a disagreeable day just a steady drizzle all day and it has not ceased at this writing I was taken ill this morning and when the Dr came he left me some dope too Alverda seems better tonight I was in bed most all the fore noon and till two this afte Edna & Luene went to school Dear old Grand Pa & Edna did up the chores I feel better tonight

Friday, February 5, 1897

Another disagree able day it rained and blew very Hard early this morning so hard that Edna and Luene took their Lunch The Dr came over this morning and changed all our dope my side pains me worse to night we read a letter from Home all the children down but True Ray is sick again Mrs Mann came in I think we are all better and Hope we will get along

Saturday, February 6, 1897

It did not rain today for a wonder but was cloudy just the same Jennie washed and got the clothes dry Wilkie came in this morning and Mrs M this after. I have felt miserable all day my ear and face aches Mrs Dr C. came over & gave me some medicine for my Liver Pop and Alverda are better Oh my but my Head paines

Sunday, February 7, 1897

Oh my but it did rain a gain today but the sun came out too and it is clear tonight I Hope it will clear off I feel better tonight Pop and Alverda are both improving Mrs Mann and Mrs Everts came in this after noon Jennie went out to church this evening it is a bright clear night I am sleepy so we are all off for bed

Monday, February 8, 1897

This has been a nice day all day but still it was cloudy Alverda and I done up the dishes then I wrote a letter Home and read one from my Sister also answered it Alverda went to school this after noon Luene went over to Mrs Town's the Piano Agent was Here again Pop went down town I do not feel so well tonight Mrs Mann came in

Tuesday, February 9, 1897

This has been a nice bright warm day I did not do much this fore noon or feel very well this afte Pop took me over to the Dr and I got some more medicine then He and Grand Pa went for Porter this afte Wilkie Mrs White & Mrs Lenox came in also Bertha this fore noon I put the Lace on one pair of Alverda's panties read a letter from Home this afte Jennie gone out

Wednesday, February 10, 1897

Another fine day I did not eat much break fast got the girls off to School then made enough lace for another Pair of Alverdas Panties Bertha came in this morning. Mrs Bickford this after noon Miss Garmon also came in too Pop took me over to the Dr He got some new medicine too I feel better tonight Alverda Has some fever The rest are all well

Thursday, February 11, 1897

This has been a gloomy day very little sun shine. I put the trimming on another pair of Alverda's Panties and thus finished them. I cut out two waists for Edna and got one ready to stitch I went in to Manns this after noon Bertha came in a while Agnes came over and played for us on her Banjo I feel Better to night rest are all well Pap and Grandpa down town

Friday, February 12, 1897

This has been a nice day but a cold north wind has blew I cleaned up out room and changed the three beds Miss Holiday called with a Book this afte I finished up one of Edna's waists and the tufting for Queene's slippers then I gave the children a bath and scrubbed Grand Pa up and got his clothes changed and now I am off for Bed Jennie not well

Saturday, February 13, 1897

This has been a very nice day although it looked like rain. Jennie did the washing alone. I made 4 Pies got the dinner then I went down town . Agnes & I went up to see the Pianos did not like them Zlypha came over & Birda held\* and claimed Ednas pin and took it away from her. Mrs Marbut called Jennie gone out I went over and got my Bottle filled all well

Sunday, February 14, 1897

This has been a passible fine day the Girls went to Sunday school I washed Grand Pa feet brushed his hair and got him cleaned up had our dinner Pop went over to the D and took the children for a walk I wrote three letters one Home and to Mary Spink one to Sammie Jennie went over Home Alverda & I went over to Wilkies twice to see the Piano all as well as usual

Monday, February 15, 1897

It was cloudy some of the day and the sun shone too Grand Pa spent the day over to Joses came Home about tuckered out Mrs Reed came up this after noon and we had a nice chat I finished cousin Queenes slippers and read a letter from her and one from Mrs T the children got some Valentines nice ones I run

in to Buckleys & Manns we are all as well as usual

Tuesday, February 16, 1897

This has been an other miserable day just a nasty drizzle all day and is still at it at this writing I finish Edna's other waist all but button & button Holes This after noon just as Alverda was returning from school Dash run against a Peach tree in the front yard and knocked the breath out of him and Oh my such crying as A & L did do he came too though I run out and took cold in the rain I feel badly rest well

Sick

C.R.C. called about noon and I was Oh so sick all after noon the Lady Dr was here twice today I feel a little easier tonight

Wednesday, February 24, 1897

This has been a splendid day the lady Dr came over this morning for the last time I was out door twice today read a letter from Home. Mrs D came in and brought some Butter milk The music teacher came and A & Luene took their lesson Jennie went Home and stayed all night Mrs Mann came in and brought some pudding She has been very kind to me All rest are well

Thursday, February 25, 1897

Another beautiful day I went out and walked in the yard this morning and Bertha came in and almost talked me to death Mrs M came in also Pop took me over to the Drs this after noon and for a little drive my Head aches and I don't feel very good. I had my supper and went to bed and slept quite good all night Pop Grand Pa and Luene down town rest well

Friday, February 26, 1897

Another nice day I made all the beds and straightened up the music and the book case and the closet in the sitting room Pop took Grand Pa and I out to Dunnings we had a nice visit I wrote a letter Home that Pa would see monday. this evening I washed Grand Pa and got his clothes changed and his coat cleaned he washed his feet I feel and\* rest all well

Saturday, February 27, 1897

This was not so nice a day as yesterday the Sun did not shine so bright I did not feel very well today Pop took me over

to see the Dr my side still troubles me we also went down to the Beach for a drive I came Home and made some Pickels and a custard and cooked a piece of stake Jennie done a big wash I feel better tonight the rest are all well

Sunday, February 28, 1897

This has not been a very pleasant day windy and cold and tonight it almost rains I got the children off to Sunday S then I stuffed 18 eggs for A to take to School tomorrow got Grand Pa Lunch packed got our Lunch made 19 sandwiches helped Jennie with the dishes then Pop took us for a drive around the cliff the Smith children came down to play I got Grand Pa ready to start tomorrow All are well

Monday, March 1, 1897

March came in with a roar we were up very early this morning dear Old Grand Pa left for Sutter this morning It rained almost all night and was showers all day and looks like we might get some more tonight I went in to Manns fixed the sleeves of my under Shirt and the band of my under drawers Alverda gave her Lunch to the teachers if it did rain All well

Tuesday, March 2, 1897

This has been a stormy day it has rained all day the children took their lunch I put a new binding on my black skirt corded it on also helped Pop to scrape the paint off of the Bath tub he went down town and got some new Enamel to put on it again I do not feel so well tonight think I have taken some more cold Hope not the rest are well

Wednesday, March 3, 1897

This has been a nice day only a few showers Jennie went down town this morning to get us some skirt binding. Pop put a coat of paint on the Bath tub the Piano Agent called and talked me almost blind I got the Binding on my silk skirt Mrs Wilkins came in also Bertha I paid Luenes music teacher for her lesson we had a Book agent call. Assessor called All well.

Thursday, March 4, 1897

It did not rain but it looked like it might I read my new Ladies Home Companion also a letter from Home Pop got one from McKay and interest I fixed the Band of my under drawers also crocheted a little Gertrude came Home with Alverda. Mrs Holmes called and Had Lunch Pop went down town I helped Luene on her music read cold today but I felt real good rest all well

Friday, March 5, 1897

Such a stormy old day alittle of every thing today wind rain and Hail I cleaned up my room just the same this after noon I darned Luenes stockings then I helped them both with their music Bertha came in this aft I gave the children a wash in the old bailer did very well to night I finished the leg for one of Luenes pair of drawers All are well

Saturday, March 6, 1897

This has been another dreadful day wind rain and Hail it does not seem as if it ever would stop a gain. Alverda and Luene took their music lesson we did not wash Put the trimming on one pairs of Luenes drawers and two pairs of my own I popped some corn for the children and sent Mrs Mann in some she also came in him now all are off for bed Well

Sunday, March 7, 1897

I rained early this morning and was showers most all fore noon but to night it is clear and looks as though it might clear off Mrs McCormic and Vana called also Wilkie and Agnes and now we are ready to start for the city tomorrow morning. Pap took me lever to see the Dr I wrote 4 letters one Home one to Queene one to Lizzie Perey and one to Sister Jennie gone Home All well

Monday, March 8, 1897

We were up a little after 5 and I got ready and Pop took me down to Agneses and she did not think it best it was raining so hard so we came Home and I got dinner and put a band on my drawers they were too small went in to Manns got a letter from cousin Sallie and sent it to Father Pop and I put a new fastener on the Valse and I polished it up a little it looks good Pop went down town I feel better tonight rest all well

Tuesday, March 9, 1897

It was nice and clear this morning but a little Hazy this aft I fixed A- Bonnett together and darned Pops socks and got dressed and Pop took me over & Agnes and I left on the 2.5 train was 2 hours late at Pajaro and a lady was taken ill on the train such a time we got here all right at 9 had supper and got a room at 211 Mason Street So guess we will be alright now for this trip. Both well

Wednesday, March 10, 1897

This has been a nice day although windy. We had our Breakfast at nine and started out on a Piano Tour and Oh my. But we have not decided on one yet Agnes bought a lovely

jacket blue and green then we went to see Doctor Anderson he gave Agnes 4 rules to follow then we went and Had some dinner came Home and rested awhile then went to see a Chickering Piano it is fine and a good Bargine We has some oranges for supper Well

Thursday, March 11, 1897

Wrote brother Home, This has been a Bright day but lots of wind. We were up late had Break fast at the corner of Mason Turk Page & Falch Thene we went out to hunt Pianos again no better Had our dinner & went out on Fell St. to see Mr Fitzgibbons Daught Mrs White no. 524 then we went out to Mrs Edwards did not see Mrs T- Then went to see Cody and this Evening we went to see Dr Winslow Anderson Well

Friday, March 12, 1897

We were up at 7 this morning had our Break fast then we went on a hunt for Dugans drugstore store found it on Taylor & Sutter got the Perscriptions filled went to the maye\* got some candy seen Alice Edwards then went to the Roomes Packed went and Had our dinner came Back bid Mrs Branch good by took the Valinchia street car and took the Train and came Home found Pop there to meet us Edna not very well rest all well

Saturday, March 13, 1897

Another fine day although the wind blew some I helped the children do up the dishes and got the dinner done the dishes then Pop took me over to see the Dr and down town Bertha came in also Mrs Mann Mr Marbut came over from town with us and Had Lunch with us I went over to Manns for a time this evening Jennie gone out all well but Edna She better

Sunday, March 14, 1897

This has been an other nice day the wind blew some Alverda and Luene went to Sunday Edna was not able to go. I worked out in the Garden quite a good deel today then this after noon Pop took us for a drive on the cliff came Home and wrote a letter Home and made some Salid done up the dishes then I read a while so now am off for bed Jennie gone out all well but Edna

Monday, March 15, 1897

Monday, June 14, 1897

Miss Hughes Called

It has been windy today and cloudy this after noon we had quite a sprinkle of rain this after noon I worked in the garden and cleaned up the store room made two apple pies and got the dinner Pop took Averda Luene and myself out to D- Edna went down and changed my Library book mountains of Cal- this time I went down to Mrs Smiths this evening they are well still windy and cold All usually Well-

Tuesday, June 15, 1897

Another windy cloudy disagreeable day. I done a little watering before Breakfast and picked some Sweet Peas to send over to Mrs Vanderford Finished the Green jacket done some of the mending and fixed my old Elastics up again Edna went to Sea Bright with the Smiths and down town with mother Mann I was in to Mrs M- Pop and the two little ones went for Beer Well

Wednesday, June 16, 1897

This was a much nicer day than Yesterday not so much wind I cleaned up the pantry this morning and got the children off for their music lesson Jennie went over Home this after noon Miss Hughes came in again got the Lunch and went into Manns

read a letter from Emma L- Pop recieved one from the Ranch  
Bertha came in this evening all as well as usual

Thursday, June 17, 1897

Still those old winds keep up come up every after noon I  
went in to Buckleys this morning to see if I could be of any help  
to her got my shirt waist ready to fix the Buckley children were  
here this morning Alverda went with Fannie and her mother out  
to Sycamour Flat Jennie has gone out this Evening I am reading  
mountains of Cal all well as usual

Friday, June 18, 1897

Very little sun shine all day cloudy and foggy all day. I  
cleaned up our room and finished my shirt waist to Button Holes  
and Buttons Bertha came in this morning also Miss Hughes I let  
her take mothers photo to enlarge it if the can. Mrs M and I went  
in to Buckleys to say good by also in to Everts to get some fruit  
jars and I got some pink slips also all as well as usual

Saturday, June 19, 1897

This has been a disagreeable day rained early this morning  
and was showering all after noon I got the Girls off to take their  
music Lesson helped Jennie to wash a little after dinner I  
finished my shirt waist made 18 Button holes in it Pop went  
down town this afte cold and some wind tonight Jennie has gone  
out this evening for the night Well

Sunday, June 20, 1897

Earth Quake at 1.20

This was a cloudy day not much wind the children did not  
go to Sunday School it looked to rainy neither did we go for a

drive Pop took A & L for a little walk Edgar Marbut came over and after he left his mother and Bro came then Mrs Mann came in Jennie went out I wrote three letters one Home one to Dinger Conard Co & one to cousin Sallie all usually well

Monday, June 21, 1897

This has been a nice day not much wind or sunshine I helped Jennie with the ironing a little and cooked a pot of Beans Put the lace on Jennies ruffles for her white dress Mrs D- was here for a little while this after noon Mrs M came in Several times I washed and done up Alverdas yellow waist Edna went down and went in swimming with the Smiths all usually well

Tuesday, June 22, 1897

Not much sunshine this fore noon and plenty of wind this after noon I done some mending this morning and put a new braid on Edna's old school Hat read a postal from Mrs Buckley also a letter from Lib. This after noon Pop took us down to Capitola Oh my How the wind blew Jennie and Alverda stayed and came Home on the Train some one stole our whip I picked the Gooseberries and got them ready to cook tomorrow Well

Wednesday, June 23, 1897

This was a nice fore noon but the wind blew as usual this afte. Pop and my self took the children down to take their music Lesson and I did a few erronds. Mrs D- brought over some Butter Milk Mrs Mann gave me some slips of pink and Geraniums also some Bulbs Rose came over with the Baby I worked some one Jennies white dress didnt do much all well

Thursday, June 24, 1897

Another nice forenoon but windy as usual this afternoon I worked in the garden this morning transplanted my little Margueretta pinks This afternoon I took our two Youngest children and Fannie M over to Sea Bright Miss Addie Fitzsimmons called with a Book of De Witt Talmage I did not take it. I washed all the children's hair and mine and pops. My Head aches so I will go to Bed Well

Friday, June 25, 1897

Another windy old day cleaned up our room and picked a bunch of pinks for A to take up in the morning packed the Hamper and mended up pops old duster got their Lunch ready and read in my book all I could Jennie is gone out for a little while I gave A & L- a bath and got them to bed early so now I am off too all well

Saturday, June 26, 1897

It looked like rain early morning but the wind came up and blew it away we were up early this morning to get Pop and A off to Sutter L and myself drove them over then I came back and had my Breakfast got ready and took Luene over to take her music lesson I went down to do a few errands also I did not do much but run around this day did not Help Jennie much Well

Sunday, June 27, 1897

This has been a lovely day got the children off to Sunday school then I harnessed up and Jennie and I met them and we went to the Beach for a little while came home had dinner then we all went out to Forsyths and to call on Mrs Marbut Oh my old lady Trueax this eve just as we were about decided to go to church Agnes & Wilkie came over So now we are off for bed

well

Monday, June 28, 1897

This has been another nice day I was up early and sent a note and the sentinel to Pop cleaned up the yard and took the weeds out of the front Beds. just as we got about through Mrs Marbut and son came and remained to dinner and till half past 4 then I hitched up and went for Mrs Thistlethwaites and to the Library Edna got a book this time Fannie came over and brought me some Pink cuttings all well

Tuesday, June 29, 1897

Bought 20 Black berries

Still another nice day I did not get up so early this morn Mrs T and I lunched together she did not sleep very much I went in to call on Mrs Witmore this aft- read a letter from Alverda she is having a nice time. I watered the young plants and raked the leaves Mrs T and my self took a little walk in the yard Got a letter from Mr King with check will ans it. All as well as usual

Wednesday, June 30, 1897

A little wind today I got the children off to take their lesson then I made the Black berry jell had 3 glasses and one quart in a jar also 6 glasses of plum jell and 3 quarts to put up this after noon I took E, L & Mrs T out to Mrs D- got a setting of Eggs and set the old mother Hen Jennie and I washed off the side of the porch wall. Mrs T and myself went down to Perrys and got two cents of pens All Well

Thursday, July 1, 1897

This has been a nice warm day I helped L with her M- and

let the water run on the Cucumbers this after noon Mrs Betts called canvassing for a book read a letter from Pop also one from Home done the mending this afte and let the water run on the Sweet peas and pinks also went over to Mrs Everts & got some pink cuttings Mr Marbut called this morning All Well

Friday, July 2, 1897

Another nice warm day I planted my sweet peas and pickled Black berries enough and made two pies done a good deal of watering and cut two of the lawns This afte we all went over to town and to take Mrs T home. Mrs M came in this evening and Rose and Jennie went out I put covers on my jell and put it on the shelf. made my black and white color smaller I am tired All Well.

Saturday, July 3, 1897

This has been a nice day rather hot though I raked up the yard and burnt up the trash then I had breakfast and got the Girls off to take their lesson then I helped Jennie with the washing and watered the Beans then I hitched up the horse and went over to Sea Bright and meet Pop Grand pa and Alverda after they came I washed A clothes and scrubbed G-P and am off for bed well

Sunday, July 4, 1897

The Glorious fourth of July again after I got the children off to sunday school I made a Black berry pie and dressed two chickens made the beds and cleaned out Grand Pa ears and made the frosting for two cakes Pop took us for a drive down town and to the Beach Mrs Mann came in twice I wrote two postals one Home and one to my sister C.R.C. tonight All Well

Monday, July 5, 1897

This has been a nice day I ironed a few pieces this morning and got the chicken fried then we all got ready and went over to town the Procession did not amount to much came home and had dinner then we went back again but did no see much came home again had Lunch and this evening all but my self went down to the river to see the fire works I felt too ill All Well

Tuesday, July 6, 1897

It was not very warm today a little north wind tonight I ironed a few pieces then picked some peaches and washed up some more old dirty clothes Alverdas Flannel skirt and the lace and waist to her Black silk Skirt this afte I helped L- with her music then I done a little mending Pop and Grand pa went down town Mrs M- sister came at last at 4 this afte all are off to Bed early All Well

Wednesday, July 7, 1897

This has been a nice day got the children off to take their music lesson then I got the vegetables on for dinner then Frank Ennor brought my Purple King and I sit it out also the pink slips Fannie brought over sent Mrs Holmes some plums by Pop he and Grand pa down town I worked on the mending this afte Zylpha came over Mr Samuels died the Fifth Pop read letter from Stabler Well

Thursday, July 8, 1897

Another nice day quite warm this after noon Pop took G- P- A Luene & myself down town this morning Luene had her tooth pulled this afte I took A. L. G-P and myself out to Dunnings came Home by Twin Lakes I fixed the peaches for Lunch then I

went over to Manns for a little while then Miss Hughes came and I came Home Jennie gone out for the night got a Dog Well

Friday, July 9, 1897

Another nice day, this is Edna's 13 birth day I bought 30 cents of ice cream for dinner cleaned up our room and changed and made all three of the beds got A- black and yellow dress together again Mrs Bamford came over and spent a few hours Pop and Grand pa went for Beer I feel very tired but I gave G.P. his scrubbing so am now off for bed Well

Saturday, July 10, 1897

Just a lovely day Jennie and I washed all fore noon I put some string Beans on to cook then A & L went down to take their music Lesson Edna did not go her finger was too sore Pop took G.P. E- and myself down town I payed Mrs Benson 27 & now we are square I also called on Mrs Fitzgibbons and Mrs Merrell came Home Helped the children with their music. All Well. Jennie going to Capitola

Sunday, July 11, 1897

Foggy this morning and again tonight The children went to Sunday school and church and after dinner Pop took them for a drive I did not go. Jennie went out also I only wrote one letter and that one to Mrs Buckley my side pained me all day and is still at it tonight I read in the Book Edna got from the Library Welones of Japan I think it very interesting now all are off for bed Well

Monday, July 12, 1897

This was a nice day also Alverda and I done a little

cleaning up out under the Apple tree I also got the dinner and done a little mending but did not iron any this afte Pop took me and G-P over to the Dr I for some Medicine for my side I also called on Amanda Lyth and Mrs Brown came Home and had Lunch and went over to Mame's and played Whist - All Well

Tuesday, July 13, 1897

This has been an other nice day I helped Alverda pick some Black berries and then when we came in to hiar Break fast I was taken sick and Vomited up my mush and was sick all day I did not get much done mended Pop's under clothes and done a little work on my Ponger Skirt did not get them fixed over though I feel miserable yet tonight but guess I will be all well tomorrow All the rest well.

Wednesay, July 14, 1897

Another Lovely day but Oh my how my side did trouble me But I went down town with the children just the same and took some fruit down to Wilkie and some flowers also Mrs White called this evening and I walked down Home with her Jennie over home tonight Alverda to the Beach with Fannie Edna down town Luene down to Blisses I took a dose of Dunbar Tonic from Mrs Mann. She was in today. All Well

Thursday, July 15, 1897

Foggy this morning and again to night . I picked some Beans for dinner and got them on to cook also picked some cucumbers for dinner sent Alverda over to Mrs Archers with some apples and a few peaches finished Edna's shirt waist to Button holes also finished the yellow stitching on my Pongu shirt Mrs Mann sister and children came in Mrs Murphy gone to

## Santa Clara All Well Taking D-- Home

Friday, July 16, 1897

Foggy again this morning did not clear away till almost noon I put out a few of my pink slips and bobbed around did not accomplish much cleaned up our room and the three Beds Luene vomited on their bed last night three times but seemes alright today helped the children pick some Black beans for the Chinaman also some for Mrs M made a quart of jell for ourselves too I feel better today rest well-

Saturday, July 17, 1897

Foggy again to day and not very warm Jennie and I washed till after dinner Pop took the little children down to take their M L- and G.P. went over to Joses this after noon I took the children and GP down to the Beach seen D- and Mrs J- Mrs Mann came in this evening also Mrs Holmes called Jennie gone out Riading Jinriksha carp in japan by Mrs Seidmon Well

Sunday, July 18, 1897

The sun did not Shine much to day quite Misty this morning but the children went to Sunday School just the same. I wrote a note to the Sunset seed Co- also a letter to Emma Pop took the children and G.P. out for a drive I did not go too much of a crowd Jennie gone out again this evening Mr Morbut was here to Lunch I am very sleepy tonight did not sleep much last night All Well

Monday, July 19, 1897 \*

Not much sunshine again today the children and myself picked 18 Boxes of Black berries and they sold them to the

Chinaman then I washed up some of the white clothes and got the dinner returned Mrs M Cataloghe then I cut out Edna a red Colier sailor suit and a part of a suit for Luene Pop took all but Jennie & Edna [myself] down to the drill read a letter from Miss Hughes Alverda postal from Wilkie All Well

Tuesday, July 20, 1897

Not much Sun shine again today but it was warm Grand Pa was not very well today done my mending and got the dinner then Pop went and got a setting of Eggs and took the Children and G.P. to see the Soldiers drill Ritter brought the Baby over I went into Manns a little while Rose and Jennie gone out I worked on Ednas red dress I am very sleepy tonight all the rest are well

Wednesday, July 21, 1897

Grand Pa's 76 Birth day Cloudy and a heavy fogg early this morning Pop Alverda and myself picked 12 boxes of Black berries for Wilkie and then we took them down to her this afte I went in to Mrs Smiths and Mrs Kate Haggerty called also Mrs Merrell and this eve Mrs FitzG- and Clara came down Jennie & Rose went out this afte got Ednas dress almost finished All Well.

Thursday, July 22, 1897

This has been an other foggy day did not clear away all day was quite misty Early I finished Ednas Red dress and got Luenes ready for Button holes. evening all well

Friday, July 23, 1897

Foggy early this morning but it soon cleared away and then the wind came up but it is nice tonight Pop went for beer I cleaned up our room and changed the beds did not sew much on Luenes dress Mr & Mrs D- came in brought us some Apricots and Mrs D remained and went to the drill with us he came over for her this eve recieved 2 letters one from Sophie and Cousin Sallie All Well

Saturday, July 24, 1897

Foggy again this morning and to night Jennie and I washed all fore noon Edna got the dinner with Jennie & my help after dinner Pop took G-P Edna and myself down town I payed Mrs Benson and then we drove to the Beach and Home this evening Pop took us all down to see the Soldiers drill for the last time Jennie gone out this evening again I am so Sleepy Mrs Mann over All Well

Sunday, July 25, 1897

It was misty this morning but I picked up the apples and send some over to Mrs Bamford and raked up the yard wrote a letter to Mrs Struckmann got the children off to Sunday School Pop went over to town to meet the Excursion train some Folk of Manns came on it this afte Pop took up to the Beach it was cold town there we soon came Home Murphy came Home All Well

Monday, July 26, 1897

This has been a nice day plenty of wind though after I got the children off to School and the Apricots on to cook Pop and I

went down town and to Wilkies I got my box of fruit and sent it to lunch I made the Apricot jell and done some of the mending did not get it finished though the children finished theirs though Pop went down and bought the School Books Oh I am so Sleepy All well as usual

Tuesday, July 27, 1897

I was up very early this morning and worked in the Garden till Breakfast was ready then I got the children off to school and finished mending the old blue dresses of the children also finished L- new red dress Made a Peach pie Grand pa over to Hodges Mrs Witmore came over to call it was foggy again to day and some wind Jennie gone out this evening. Pop bought the children some more books All well-

Wednesday, July 28, 1897

This has been a nice day not much fog or wind after I got the children off to school and my mending done I cut out Jennie Blue & Yellow Shirt waist and finished it this evening this morning Pop went over and got the music rack 1223- and this afte he took L- down to take her music Lesson and I went over to the Dr while he & G.P. went out to Mores for eggs to set we set the old hen Jennie out tonight. All Well-

Thursday, July 29, 1897

Foggy again early this morning after I got the Girls off to School I washed out the half of one of the Crib blankets and cleaned the pickel jar and packed down some more pickles raked up the yard and made the beds and read in my book all I could fixed the colar on GP shirt and made two safty belts Rose came over and Brought Dorethy Pop and G.P. down town this atfe All

well-

Friday, July 30, 1897

This has been a nice day a little fogg early this morning I cleaned up our room and changed all the beds and done a little mending work in the garden picked up some apples and peaches and Pop and I took them up to Mrs Forsythe came Home and read a postal from Agnes also finished reading Jinrikisha days in Japan and Hemmed one end of the table linen Scrubbed G.P. and will go to bed Well-

Saturday, July 31, 1897

Foggy again this morning but it cleared away and was nice CRC called early this morning and I felt miserable so much pain I did not help Jennie with the wash got dinner was all Alice Gray came over today she is well I spent the evening at M- we played whist we each won one game I am reading A Woman's Trip to Alaska I hemmed 3 ends of table linen Edna went down and took her lesson this aft Well

Sunday, August 1, 1897

Still we have the fogs night and morning I wrote a long letter to cousin Sallie this morning and got the Girls off to Sunday school then I dug out G-P ears and cleaned his Hair and gave him a cleaning I did not go for a drive the rest did Jennie went out but is home now Agnes came over for a time did not stay very long I feel better tonight got the Lunch read in the Book All Well

Monday, August 2, 1897

Foggy again to day both night and morning almost a rain

tonight as Jennie and I return in Mrs Marshes Carriage from the Theater where we seen the First Born played also lost for a day Edna got a letter and some music from Cousin Sallie I made Some jell and some preserves out of some of our own Crab Apples Rose came in today. I got the dinner also I feel tired but All Are Well

Tuesday, August 3, 1897

Not much Sun shine this fore noon but nice and cool. I made 9 more glasses of Crab Apple jell got these over to Manns I did not do much but work out in the garden and watered some of the flowers and plants Jennie went Home for the night tonight Luene and I went down to Mrs Smiths this evening. I cut out some dish towels for the children to hem. All Well

Wednesday, August 4, 1897

Still the foggy mornings continue and this after noon the wind blew but it was warm. I put away some of the Crab Apple jell and Transplanted some of my new Pink slips G.P. worked in the garden some and Hurt his back Pop took Luene and I down town A went down a lone Mrs D- came down just as we left and went down to Whites with us my head aches rest All Well-

Thursday, August 5, 1897

I spent all the fore noon dieing 2 pairs of Hoes for Luene and Edna's Black sateen Skirt then Mrs Bliss called and Miss Hughes and it was noon when Miss Hughes left after dinner I stayed down a while and Mrs Charley Breng<sup>\*</sup> called then in a little while Ralphs D wife and mother called I also recieved a Photo of the Spink Family I died and trimmed my old Hat and mended Luenes stockings Vance & Lucille came over All Well

Friday, August 6, 1897

It was Foggy a gain this morning and I did not get my bedding out to air very early I finially got the room clean and the beds changed Pop and G-P- went for Beer & Porter I finished hemming the two strips of table linen for the children's end of the table Mrs Mann is about the same I helped Luene with her music some Hattie Fitch came in to play All Well

Saturday, August 7, 1897

Foggy again this morning I got up and pickled some string beans and got them on to cook then I washed out the Soiled tub of cloths had my break fast and then worked till dinner after that I took the children over to Mrs Towns and from there we all went to the Sea Bright beach and stayed a while came Home and had lunch then I went in to Manns and played Whist in played two games and Mr M & I got one game was all Edna not very well rest all well-

Sunday, August 8, 1897

Jennie came home early this morning I was up soon after She came home. My eyes trouble me the last few days The children went to Sunday school. I wrote to Mary Spink and to the woman's home companion to renew Jennies & my subscription I took Grand pa and the children to the Beach it was windy and cold down there my head aches and my eyes feel badly All the rest are well-

Monday, August 9, 1897

This is Ben Ricketts 21 Birthday it was very warm here this after noon but our same old fog this morning I pealed and put up

Six quarts of yellow Peaches and got the dinner made a loaf of Brown Bread this afte Pop and I went over to the Dr I also called on Mrs Merrel Litchfield and Mrs Smith Jennie & Edna gone down to see Pearl Landers play I done my mending and helped the children with their Pieces Well

Tuesday, August 10, 1897

The sun shone Bright all day and was quite warm I was up early and watered till Break fast was ready then I got the children off to school cut out the wadding from the Sun bonnets took off the old hen & 9 little ones picked a Basket of peaches this after noon got Edna's Bonnet ready for strings and A almost finished Jennie & L down town Jennie gone out this evening Well

Wednesday, August 11, 1897

Another nice warm day sun shone Bright all day. I staked up the Chrysanthemuns before Break fast then after I got the children off to school I washed out a piece of cloth and cut out a white sun bonnet and made it and finished A to Strings fixed a Box of Lavender and sent it to Mrs Slack. Pop took me down to see Mrs Landers and Pearl took Mrs Holmes Home came Home for A but she had gone down then such a time all well but G.P. I have a Slight Cold

Thursday, August 12, 1897

Still another nice day rather warm for here I finished up all the Bonnets this morning and this morning Jennie and I put up five quarts cans of peaches I helped Alverda pick some Lavender for Miss Steinmitz and this after noon Pop took us out to Dunnings She gave me some new bulbs. After I came Home I

helped Jennie sew on a Shirt waist for her mother. Mr & Mrs Mann spent the evening here we played cards All Well-

Friday, August 13, 1897

Oh such a foggy disagreeable day very little sun shine. I managed to get the Beds and and the room cleaned just the same though this after noon I put the Button Holes in the shirt waist and finished it up and Mrs Holmes came over and got it she eat lunch with us then Jennie gone out this evening also I washed G.P. feet and gave him his bath and put him to Bed all Well-

Saturday, August 14, 1897

This has been a miserable misty raw and foggy day but still Jennie and I washed and got most all of the clothes dry Mr Marbut came over this morning and stayed a While. I took the children down to the Beach this afte but it was so cold we came away and went out to the Cemetery the lot looks better than I expected it would Rose came over and she & Jennie Will go out All Well

Sunday, August 15, 1897

I did not get up very early put on the peaches to cook and then I picked some tonight we went over to Lady Rhodes and picked some Apricots came Home and divided with mother M and got mine pealed and the Sugar put on them got the children off to Sunday s- this afte we all went to the Beach but Grand pa we did not get Home till late had Lunch so now are off for bed All Well my Head aches

Monday, August 16, 1897

This has been a nice day after I got the children off to

School I washed out the white dresses and got them dampened ready to iron tomorrow morning I also put up 4 pints of Apricot Sauce Pop went down town and got some new jars this afte Jennie cut her wrist Pop took us all down to see the Soldiers drill did not see much and did not get home till late All Well.

Tuesday, August 17, 1897

A warm day the sun shone all day I helped Jennie iron a few pieces and got the Peaches on to cook and the almonds ready to to chop then Pop grand Pa and myself went down town did not stay long I got some Green dress goods for Alverda a dress and some Blue for Luene and two pair of gloves for the children put up 4 pints of Peaches Wilkie came over also Agnes this eve Jennie gone out oh I am so tired done the mending All Well-

Wednesday, August 18, 1897

It was very foggy early this in fact till almost noon I took off the other old Hen with Eleven little ones Pop took G.P. Mrs Gerald and my self to see the Soldiers drill this morning we sat in the Lurry on E Cliff road. this afte Pop G.P. & myself went out to D- and down town with Luene Jennie went out and just returned Home I fixed up my Pongu waist and done a little mending canned 2 quarts Tomatoes All Well

Thursday, August 19, 1897

Foggy again this morning but as soon as I was up I went over to Manns and got some prunes to make sweet pickle made 5 quarts Mrs D came in this afte and remained here and went to the drill with us Mr Thistlethwaite came Home this evening after we had Lunch and Mrs D- had gone Home she didn't Stay to

Lunch though Mrs Gerald and myself went down to the drill at the Armory fine Jennie gone out Well

Friday, August 20, 1897

Foggy again this morning and I picked and canned 2 quarts of tomatoes then Wilkie came over and canned 4 quarts and one pint of white peaches after dinner She and I chatted for some time then Pop took us and Wilkie over to her home my hand is no better where the wasp sting me Mrs Mann came in a few minutes this evening Pop read a letter from Auntie Pop All Well-

Saturday, August 21, 1897

Foggy again this morning I could not sleep after 4 o'clock my hand pained so I got up about five and set the biscuit then when the water was hot I started the washing but we did not get through till noon just the same. This afte we all went to the Beach came home and ironed some Edna went down to Pratchines this evening so I helped her get ready Jennie will go out too tonight All Well

Sunday, August 22, 1897

Foggy again this morning I picked some Tomatoes for dinner and fed the chicken some Lettice then after Breakfast I got the children off to Sunday school then I cleaned G.P. ears out and brushed his Hair then I put the chicken on to cook after that I made the beds this afte I took Mrs Gerald and the children down to the Beach Jennie has gone out too I am Sleepy So will hie to bed Well

Monday, August 23, 1897

Foggy this morning I picked some string beans and got them on to cook then I ironed my wrapper and got the children off to school then I ironed again till the Spink Family came then we had dinner and went for a drive came Home and pop took them down to the depot  
A & Luene went down with them I took my grey waist down for miss H to fix up again Jennie gone Home for the night All usually Well

Tuesday, August 24, 1897

-Hay-

It was very foggy early this morning looked almost as if it might rain I put some water on some of the Plants and brought over some Tea from M and doped the plants then I canned some peaches I went down and had my grey sleeves fix this aft and over to Mrs Holmes for Some Bartlet Pears. Mrs Stimmet called Pop got his one load of hay note from Mary she will be here tomorrow All well as usual

Wednesday, August 25, 1897

Another foggy day almost a rain this morning I put up one quart of preservatives\* and some of the yellow cling peaches then pop took me and grand pa down town I got a new Brush & Comb & a new tea steeper This after noon Cousin Mary & Husband & children came and you can guess I was tired and then I slept on the Lounge and did not sleep very well Mary and all are well so are our Family

Thursday, August 26, 1897

Dr Bailey Burried

It was warm this morning so pop took the folks for a drive

over to twin lake and this afte I took Frank and his family down to the depot he returned Home then we drove on the Beach and out on the Soquel road I went over and picked some Black berries at Rhodes I got G.Ps things all packed and his Lunch and coffee ready and he will wait till Saturday Mrs M- came in also Miss Hughes well

Friday, August 27, 1897

This has been a nice day I made some sweet Pickels of some bartlett Pears guess they will be nice read a letter from Home to day at last the Piano tuner called well I have G.P. packed again ready to start in the morning C.R.C called early this morning Pop took Mary the children and GP out for a drive this afte Mrs M came in I feel miserable glad when I get a rest all the rest are well

Saturday, August 28, 1897

GP left for Sutter

This has been a nice day but the wind blew quite hard this afte we got the washing out before noon Mary Jennie and I worked at it we were up early dear old G.P. left for Sutter Mrs M came over and told us she thought Mary's children had Chicken Pox they remained in all day pop took the children over to take their lesson I cleaned up our room so hope to sleepe well tonight all are well

Sunday, August 29, 1897

A Beautiful fore noon but Oh how the wind did blow this after noon just a gale I made the chicken pie for dinner and helped Jennie some with the dishes this afte Mary and our two Girls Edna and Luene went to the Beach I took care of the

children Jennie went out this Evening we just talked till a little past Eight and all went to Bed Alverda got .10 cents of milk of Mrs Bamford all well

Monday, August 30, 1897

This has been a fine day rather warm though I canned two quarts of tomatos and 2 1/2 quarts of pear sweet pickels, and then I helped Mary do some washing, this after noon pop and Mary went out for Beer I went over to get some milk of Mrs Bamford to morrow morning while I was over Mrs Slack called had a nice visit with her made apple snow for Supper Jennie gone out well

Tuesday, August 31, 1897

This has been a nice day rather warm though I canned some more yellow peaches 4 quarts also one quart of jam helped iron a few pieces this afte Pop took us over to town I bought Albert a box of paint came home and beat the apples for Snow then after supper Mrs Dunning came over and spent the evening we played cards but she and I never won one game had the children over to the Dr did not have chicken Pox well

Wednesday, September 1, 1897

Another nice day. I made 4 glasses of quince jell I felt real miserable all fore noon but better this after noon Pop took us all down town with Luene and from there to the Beach Oh my what a quantity of fish they did catch in the seine we came home and had Lunch then Mary and I went over to Mrs Manns did not remain very long guess we will be to bed early All Well-

Thursday, September 2, 1897

This was a fine day. I put up 4 quarts of Quince jelled in their juice they are fine. I also put away 4 glasses of Quince jell. This after noon pop started to go to Capitola with Mary her children and myself, but when we had got as far as D- he came out and said she was very sick I went in and remained all night Oh how she did suffer neither he nor I got a wink of sleep and she did not sleep our folks well

Friday, September, 3, 1897

The Dr came out to D- sat 20 m after 12 and did not leave till Six Mr D- is easier Oh how the poor child did suffer Mr D- brought out a Mrs Searls to stay there Pop came out and I came in with him to see the Dr and get some medicine she seemes easier then we came Home and had dinner and went out then again the Dr came and will come again at six this evening I was so tired I came home to rest, rest all well -

Saturday, September 4, 1897

It was foggy again this morning but we washed just the same I did not help much for I got all the dinner and canned three cannes of tomatoes then after dinner I helped Mary get the children ready and pop took them over to the train so they went Home I took Manns Horse and went out to D- she is better at last thank goodness Jennie gone out tonight I feel better all the rest are well Fan land

Sunday, September 5, 1897

Another fine day but a buisy one just the same I was not up very early but I got the broth cooked just the same and the children off to school Sunday school I mean then I got ready and went out to Dunnings and did not get home till late Mrs White

called also Mrs Love called Jennie gone out this evening I do not feel so tired tonight Mrs D- I can't see improves very fast all well

Monday, September 6, 1897

Another nice day till this after noon then the wind blew from the north Mr Dunning came over this morning and wanted me to go for a nurse I just scoured the town and then took Mrs Berge I think she will be very nice Mrs D- seems to like her I was out there all after noon did not get Home till late Mr D- brought me Home Jennie put up 2 quarts of tomatoes All well

Tuesday, September 7, 1897

This was a nice fore noon but the north wind blew again this after noon I went over and gathered some Silver prunes and canned 2 quarts I also canned 7 quarts of Quince jelled in their juice this after noon Pop and I went out to D- I can't see Mrs D improves much we went down town before we came Home and got 2 Japanese Stoves 20 cents for all read a letter from Home G.P. Sick all well

Wednesday, September 8, 1897

Another nice day after I got through watering a while and had my Breakfast and got the children off to school I got ready and went out to D- I found her a little better stayed out there till almost noon came home and had dinner then Pop took me down town and to Miss Hughes to have her fix my black dress read a letter from Mrs Pope and from Mary and one from Home Pa is not well Jennie gone out all well

Thursday, September 9, 1897

Alverda not well

Another nice morning I got up and picked tomatoes enough to can 8 cans and made a Spanish stew for dinner Also got the front bed room cleaned up and put in Shape this after noon pop took us all out for a drive and I went out to Dunnings she improves very slowly I can't say I see any improvement I started to cut out my green wrapper Jennie gone Home well

Friday, September 10, 1897

I cleaned up the cupboards in the Bath room before Breakfast then I cleaned up our room and the blinds and wiped the paint made an Apple Japonais Pudding this after noon Pop and I went out to Dunnings She had a bad night I called at Mrs White for a few minutes. came Home and worked on my wrapper got it fit that is the lining I have a Stomach ache All well but colds

Saturday, September 11, 1897

Not much Sun shine today but it was cold and windy just the same Pop started a fire in the fire place tonight I helped Jennie with the wash and this after noon I worked on my wrapper all I could did not accomplish much did not go out to Mrs Dunnings was too tired Pop seen him she had a good night Mrs Holmes came over Jennie gone out Lucy Bliss came to the door with Georges children well

Sunday, September 12, 1897

A nice fore noon but cold and windy tonight I picked Some Tomatoes enough to can 3 cans after I got the Girls off to Sunday School I made a seedless grape pie and a peach custard. after we had dinner I drove out to Mr D- helped to get her out on

the Lounge in the sitting rooms then we Aired her bed and got it made and and got her back into her room she seemes better Mrs White called Jennie gone out well

Monday, September 13, 1897

A nice day not much wind what was was from the East I helped Jennie iron and made a custard for Mrs Dunning I also made some of Ralphs Folks Cough Syrup I went out to Mrs D and found her better able to walk a little came Home and called to Mrs Burje's also sent a note down to Sanfords I fixed my Pongu waist and done a little other sewing I am So Sleepy well.

Tuesday, September 14, 1897

Not a very bright day till late although it was not very cold. Pop and I went down town early this morning and I got the under drawers for Mrs Dunning she still improves seen Wilkie and she wants me to go to the camp with her tomorrow guess I will as I am all packed to start in the morning Wilma Schlag called here this afte also Mrs Smith & Mrs Robinson all well but colds-

Wednesday, September 15, 1897

This was a nice bright morning and we were up very early for I was to start for the Hihns Sulpher Springs I waited till after 4 then Wilkie came over and soon the Express Wagon came over with 4 horses and we started crossed the creek 25 times and arrived here about half past 12 had a nice trip and had a good Lunch Plenty of fun with Cody we played cards whist Each won one game Well-

Thursday, September 16, 1897

## A Beautiful Day

Did not Sleep very good last night as it was my first night in camp. Agnes and myself were the first ones up and we went for the milk helped to get Breakfast and clear away the dishes and called on Mrs Reanier a friend of Agnes here had dinner a nice dinner too there at 3 Wilkie and I had our bath got our Lunch and a little before 6 Started for the Hill to see the Sun set a grand sight. had a nice dusty walk and returned to camp tired and dirty wrote a postal Home had a Bon fire but no Ghost Stories I feel fine All rest also well  
Several recitations

Friday, September 17, 1897

Another nice day but Oh my I felt miserable C-R-C called early this morning. Wilkie and I were up first She got the Break fast. I did not do much Agnes and I went over to Reanier's camp while they were out and Sit in the Sunshine Mrs Keif also came over Mr Clem Ward to dinner and he and Agnes played whist a gain Mrs K and myself they won this eve A- played on her Banjo for a while then we all went over to Reanier and Spent the evening came Home played Hearts another commotion in the bed business this time Cody causes it I won her over

Saturday, September 18, 1897

A nice warm day. Wilkie and I were the first up got the Break fast after that Mrs K Agnes and myself took a walk up to the Mt where the water comes from picked some Wood Wardier & a few five fingers came Home Had dinner played Cards for a time Mr Reanier played one game with Mrs K- A- & myself A & I got left A- went this after noon to gather Everlastings with Mrs Reanier Mrs Davis of Soquel called we set around the camp

fire for a time. all was serene in the Sleeping question tonight I feel Better today Mrs Cape called all well

Sunday, September 19, 1897

A warm day- I reached Home at 12.

Wilkie and I got up first and got the Breakfast then I packed my Hamper and off I started a little after nine with Mr Reanier we went down to the gate to see the Deer Harry Wanger killed Mr Reanier and I reached Capitola a little after 11 where I bid him adue and took the train to Sea Bright left my baggage at Mrs Henrys Pop and the children went for it I washed and put on clean clothes and went out to Mrs D- She had a bad night again Mrs White and Mrs Gerald called Well

Monday, September 20, 1897

Foggy this morning and Smokey this after noon and Hot from the fires in the Mt. after I got the children off to School I put the clothes to soak then I picked some tomatoes and Jennie put them on to cook I canned 3 cans I had quite a washing and feel tired tonight read a letter from Home Grand Pa will be here tomorrow night Mrs Mann came in also Mrs Gerald helped the children with their music was about all this afte all well but colds-

Tuesday, September 21, 1897

A shower greeted me just as I went into the bath room this morn after I got the children off to School I got ready and picked some flowers and a few tomatoes and went out to Mrs Dunning She was up on the Lounge came Home had dinner. worked on my wrapper for a time fixed G.P. room Mrs Smith called Oh my what a night G.P. missed the train and did not get here at all I

had a terrible night All rest well.

Wednesday, September 22, 1897

This was a nice warm day almost too Hot Pop went down to meet G.P. but he did not come. I worked on my wrapper a little at noon just as the children came Home here come grand Pa I feel miserable some throat and head ache went and picked the Luinas and took them over to Mrs Holmes also went to Miss Hughes and got my black dress. took the children down to take their music lesson wrote two letters one Home and one to R folks Jennie and Edna down town this eve All the rest well

Thursday, September 23, 1897

but colds-

Another warm day Yes hot after I got dressed I picked the tomatoes and Jennie canned 3 cans I washed out grand pas clothes and got dressed took the horse & went out to Mrs Dunning she is still on the improve I also went down town this after noon and bought her one wrapper pattern and must get her another one Jennie and Luene down this evening but the Store was closed Edna at work on her watch Well. X

Friday, September 24, 1897

Pop and G.P. picked apples

Very foggy this morning and it did not clear away very early I picked some Beans and cleaned up our room this after noon I went out and made some calls Called on Mrs Slack she was out also Mrs Steinmitz Mrs Mattison at home also Mrs FitzGibbons Mrs Merrell and Mrs Bliss and Mrs Johnston out I also called on Mrs Mann my black dress sleeves dont fit very good gave G.P. his bath also the children All usually well-

Saturday, September 25, 1897

This has been a nice day cooler than before I helped Jennie wash out the white clothes ready to boil then I got dressed and went down town to Shop for Mrs Dunning got her another wrapper pattern and pattern to make it by Agnes came Home and all the crowd Mrs Smith down the street called I was over to the Dr she thinks I look thin Jennie gone out this even All usually well-

Sunday, September 26, 1897

Nice this morning but the wind blew this after noon I picked some string beans and got them on to cook then I got the children off to Sunday School made a Carrot Pie and some tapioca Apple pudding and a new sponge cake Alverda went to ride with Fannie Luene went Home with Jennie the rest remains at Home wrote 3 letters one to Mary L. one to Queene one to Mrs Pope and usually well but colds

Monday, September 27, 1897

This was a nice day warm this afte I picked enough tomato to can 3 cans made more washing fluid got the dinner and made the Beds this after noon I went out to Mrs D again she still improves. the nurse left today Mrs Maddock came over to D- I did not get Home till late read a letter from Mary Spink helped Luene with her music and piece Jennie gone out rest well but colds

Tuesday, September 28, 1897

Another nice day although it still seemes hazy I sent some plums and walnuts down to the Smith children worked on my

wrapper a little bit tried to die the black lace but could not  
Jennie bought me some new tonight I was out to D all after noon  
worked on her wrapper Sleeves a little will take Mrs Love out  
tomorrow. Cody and Wilkie called did not remain long Mrs  
Everts came Home Wilkie will be home Thursday All usually  
well-

Wednesday, September 29, 1897

Another nice day I was awakened at a little after 1/2  
2"o'clock by the powder mill explosion and did not go to bed  
any more set up and read. took Mrs Love out to D she will  
remain for a while came Home got dinner worked on my  
wrapper all I could Mrs Merrell called I went in to Mrs Everts  
this evening helped the children with their music so now will be  
off for bed I did not read much All usually well-

Thursday, September 30, 1897

Commenced to rain before about noon and we had quite a  
Shower and it still looks like we might get some more I helped  
Jennie iron some this morning and done the dishes and the  
mending worked on my wrapper all I could got the ruffles on  
recieved a photo of Luillie Gaige's Baby it is very good I am so  
sleepy I can not write Jennie went down town and out to walk  
with some one who came for her We are all as well as usual

Friday, October 1, 1897

Another cloudy day a little rain this morning but I  
cleaned up and aired the rooms and got the beds made Jennie  
and I had our fun talking just the same I cleaned out the flies  
then I worked on my wrapper a little did not do much went in to  
Wilkie's this evening she is very tired read a letter from Luene

Mrs M- came in and brought a plant well

Saturday, October 2, 1897

This was a nice day Jennie and I finished the washing about twelve Pop took the children down to take their music L. and Grand Pa over to Joses. After dinner I took Alverda and drove out to D- took her quinces out to her she was not so well I helped Jennie iron a few pieces and done the dishes Jennie gone out this eve I put some Apple & quince over to cook over to Wilkies well

Sunday, October 3, 1897

This has been a nice day after I was up awhile I picked some beans and tomatoes canned 2 cans got the apple & Quince made Grand Pa was sick all day Mr Hodges Fainted on the street yesterday I did not go out Jennie & Edna went out & Pop & the little ones they got stung with Yellow jacketts at Wilkies Mrs Bufe\* called also Mrs Gerald I wrote three letters one Home one to Willies wife and one to Mary. read some All usually Well.

Monday, October 4, 1897

This has been a nice warm day almost too warm this eve. so close I helped Jennie iron some and made the stew done the mending and almost finished my wrapper went over to Wilkies this morning and to call on the Judges wife this after noon found her out knit on the sock this evening Oh my but I am so sleepy Jennie gone out this evening A lovely evening All usually Well

Tuesday, October 5, 1897

Well-

Alverda and I was up early this morning to get the Walnut

gathered for it looked like rain and did sprinkle some we got them gathered and put up to dry. then I went out to Mrs Dunnings she is still on the mend I went down to Miss Hughes to fix my black dress got it done read a letter from Alice Gray this evening Wilkie Cody Mrs Kief & Agnes came over had a jolly time telling jokes and teasing each other recieved Bert Musters Photo

Wednesday, October, 6, 1897

Still the air feels like rain but none comes Grand Pa went over to Hodges today he is better Mrs Slack came in to say good bye I wrote to Alice Gray this evening worked in the garden and cleaned out the sewer Box finished my wrapper to the ribbons and got my black dress waist put together Pop brought a new Atomisn\* Jennie gone out I feel tired and sleepy got my new Calico dress cut out and ready to Sew on All usually Well

Thursday, October 7, 1897

Another fine day After I got the Children off to school I went in to Manns to have her sister cut me a cuff Pattern like she has came Home and cut mine out and got the Skirt finished and wore it this After noon got the waist Almost finished I feel tired to night you can guess. I must get ready and fit my Shirt waiste Cody and her Sister left to day All usually Well

Friday, October 8, 1897

Still another nice day I cleaned up the room and all the beds went in to Wilkies a little while this morning finished my new shirt waist to the hand work then I went down to the school to visit the rooms I went in to Luenes took first Pop drove me down then to Alverdas and last to Ednas came Home and

finished my new waiste and put it on. gave them all baths and will take mine well but Cold

Saturday, October 9, 1897

It looked cloudy early this morning but it cleared away and was nice I was up early helped Jennie with the washing Muriel Gray came about 10 to spend a week with the children this after noon I took them all out to D- & took her for a drive she is better I finished Pop sock so that is done Jennie gone out her and I done some of the ironing now I am sleepy all usually well-

Sunday, October 10, 1897

A cloudy day very little sun shine if any The children went to Sunday school I washed Grand Pa's feet and brushed his hair and cleaned out his ears then we had dinner and Pop took the children and Grand Pa for a drive I read Real Japan and wrote two letters one to Ben and one to Bert Musters this evening Mrs Gerald, Agnes, Jennie, Muriel My self and the children went down to the Point no moon Well

Monday, October 11, 1897

It has threatened rain all day but none fall I ironed some this fore noon bought some Mussels and cooked them and got the dinner done the mending went in to Manns and she came in here. Edna made some candy this evening I got the plaid for Luenes dress cleaned and pressed cut out the lining of her sleeves Jennie gone out tonight all usually well-

Tuesday, October 12, 1897

Cloudy again to day misty this afternoon I worked on Luenes dress did not do much till I got the Pattern Have it all cut

out now went out to Dunning this afte but it looked so stormy she would not go to town I went in alone Alverda and Muriel and down town and to Hodges brought Vernida Home with them Mrs Stenmeitz & Carnie\* called also Mrs Everts. Edna over town to change her Library book well

Wednesday, Ocober 13, 1897

Letter from Home

This has been a gloomy very little Sun shine it must of rained quite hard last night but nothing but a mist left today the two little Children went down and took their music lesson Willma and May Schlag came over and spent the after noon pop and Grand Pad took the children over to the Sea Bright beach I worked all the time I had on Luenes dress All usually well

Thursday, October 14, 1897

Buckleys Home I run in there

The north wind blew most all day not so very hard this fore noon Pop took all the Children down town got our children all a new pair of shoes and Alverda & Luene a pair of rubbers Miss Stenmeitz came in this morning to get her Skirt fixed up I finally finished Luenes dress C.R.C called last night and early this morning was here when I got up. Muriel & Vernida still here All usually well

Friday, October 15, 1897

This has been a lovely day I cleaned up our room and made the beds washed Alverdas and Luenes hair got ready to go and take the children for a drive then Mr Marbut called also Mrs Bowman then after they left we went out to Vista Del Mar Stopped at Twin Lakes and the Lurp caught Vernida Mrs

Longstreth called I washed and pressed the goods for Es black skirt well

Saturday, October 16, 1897

My 41 Birthday

This has been a nice day I did the work in the house while Jennie and Edna done the washing got the dinner and ironed up some of Muriels things got the children's things packed and then Mrs Dunn came over the stage got here for them about two and they got off all right and happy Edna went for a drive with Eva Love I spent the eve in to Manns am tired Jennie gone out All usually well

Sunday, October 17, 1897

This has been a splendid day Pop was over to see the Dr twice before he found him in got some medicine for his Stomach we did not go out this afte Jennie & Edna went with Mr Hold to drive Mrs Gerrald came in She Agnes Edna and my self went down to Church to hear Prof Loyd speak did not like him very well wrote a letter Home Jennie gone out again tonight well

Monday, October 18, 1897

Another nice day was up early and went over to Mann's and got some Tea and put it on the Plants Pop took out some of the old rose bushes. I went down to meet Agnes tonight Jennie gone out Edna down to Miss Hughes and down town Started the linings and got them pressed and the plaid pressed for her new suit Wilkie came in also Mrs Berge well

Tuesday, October 19, 1897

Still another nice day after I got the Break fast started the

Biscuit set and so on Jennie came Home from Roys and finished the rest I fit E Black Skirt and went over to Wilkies for a few minutes took A over some Porter Mrs Dunning came in and she & I went down town I also took her out Home fixed the neck of one of Pops under shirts Had a letter from Alverda All usually well

Wednesday, October 20, 1897

Fog came in this morning and it was cold but it cleared away but was cloudy all day I wrote to A & L this morning read a letter from Home finished Ednas black skirt and done a little on her waist finished Pops under clothes he finished Hauling out manure Mrs M came in I was over to Wilkies a little while at noon to take over the well Porter Pop over to Dr

Thursday, October 21, 1897

Cloudy and soon it commenced to rain I wrote a letter Home before breakfast then after Breakfast Wilkie came over to get Edna to go down town with her and said Agnes was in bed I went over and stayed with her till after eleven came Home and worked on E- dress did not get her waist to fit don't feel very good tonight Played cards still looks rainy well-

Friday, October 22, 1897

No rain fell all day but it was cold and looked threatening Muriel Buckley came in this morning and said her mother wanted me to come in there so I did She thinks Baby has Measels I also went in to see Agnes She did not go down to work to day Mrs Gerald & Edna went for a walk I cleaned up our rooms and finished Ednas plaid waist at last read a letter from Alverda Mrs Holmes came in all usually well

Saturday, October 23, 1897

Oh my but it did rain hard this fore noon and then it cleared away and we got most of our clothes dries and a few ironed. The children came Home on the train this afte Pop meet them and so they got home all right. Wilkie and Agnes came over this evening a little while I got Alverda's Black Skirt ready for the hand and knitt a little Jennie gone out All well.

Sunday, October 24, 1897

This has been a nice day I made 2 Pumpkin pies before break fast then I got the children off to Sunday school wrote a letter to Alice Gray had dinner went over to Sea Bright and mett Mrs Miller and Annie went with them to see Mr Pattersons Collection and frame then we all went to Sea Bright for a little time then came Home had Lunch and am now ready for Bed Jennie has company tonight all usually well

Monday, October 25, 1897

This has been a nice day I ironed some before break fast then I got the children off to school then Pop took me down town I was very tired when I got Home Bertha came in this fore noon & evening this after noon Pop took me over to see the Doctor she would not give me any medicine I got Alverda's waist lining fit at last read a letter from Sallie this after noon Oh my I am sleepy well.

Tuesday, October 26, 1897

Another nice day I was up very early and worked Hard on Alverdas dress but seemes I did not do much. Mrs Everts called a moment at noon to have Alverda do an errond for her Mrs Cha

Johnson the book Agent called also read a letter from home Bill and Mabel are sick. My side has pained me most terrible all day and is still at it Jennie gone out this evening all usually Well-

Wednesday, October 27, 1897

Another nice day I made washing fluid this morning wrote a letter Home and one to Alice also read one from A- went in to Mrs Buckley and to Wilkies this eve Pop took us over to town this afte this eve Agnes came over also Mrs Thistlethwaite and Mr T - had a fine lot of music I did not get Alverdas dress finished I feel Better tonight All usually well

Thursday, October 28, 1897

This was a nice day. Oh how hard I did work on Alverda's Black and Plaid dress so she could have it to wear this after noon and then after all the Lecture was a Failur. You can guess my side just thumped & ached but just the same Mrs Mann her sister Agnes and myself went down to hear Mrs Van Pelt Le drin she was no good Mrs Everts came in Jennie had company. Just left as I came home All usually well-

Friday, October 29, 1897

Another nice day after I got the children off to School Pop took G.P. Mrs Mann & myself down town I did not feel very well to start out with and Oh my how my side did ache all the rest of the day and is still at it Mrs Homes came over and remained to Lunch Mrs M also came over Pop is trimming the trees I did not do much to L grey dress just fit the lining all usually Well-

Saturday, October 30, 1897

This was not a very bright day and cold besides. I did not do any thing with the washing Jennie done it alone I helped her some with the ironing this evening I ripped up Luenes Green cap to fix over got her grey dress fit Mrs Berg called Bertha came in this evening Jennie and Mr Holer took her home Agnes came in for a little while but did not remain long I feel better rest Well

Sunday, October 31, 1897

Cloudy this morning but it cleared away and was nice this after the children went to Sunday school and I was up early and went over to Wilkies and got the key of the House came Home and put the Quinces on to cook then cleaned Grand Pa up Mrs D came in at noon for a little chat Mrs Gerald came in this evening I went over and got my Bottle filled wrote to Cousin Sallie Jennie & I will stay over to Wilkies till they come Home well

Monday, November 1, 1897

Very foggy and cold early this morning I was over to Wilkies twice this fore noon once to see and compare the Chrysanthemums and once to see about taking Peppers they were fine too Pop and Grand Pa went down town Muriel Buckley came over to play I did not get much done on Luenes dress Jennie gone out this eve down town Bertha in twice today all usually well

Tuesday, November 2, 1897

This has been a cold disagreeable day cloudy to night I gave the Plants some more tea and made a whipped cream cake for Lunch I was in to Wilkies twice once to take my Leggings for Agnes to try Pop and Grand Pa went down town I did not sew much on Luene's dress Read a letter from Home Mabel is

better but Bill's cold still hangs to him all usually well

Wednesday, November 3, 1897

This has been a fine day nice and bright all day I wrote a letter Home this morning went in to Manns for a little while cleaned a dress for each one of the Girls got them ready for school and then I worked on Luenes dress all I could but did not get it finished Pop got 1 1/2 doz more buttons for it Jennie has company tonight oh my but I am sleepy must get to bed All usually well

Thursday, November 4, 1897

Mr Richt here this morning

It commenced to mist here a little after noon and kept it up till almost night it does not rain at this writing. Mrs Dunning came over and she and I went up on Mission hill to Mrs Gregorys meet Mr D down town and he took her Home I worked all the time I had on Luenes dress but did not get it quite finished Grand Pa read a letter from Ola All usually well

Friday, November 5, 1897

This has been a most perfect day I made Biscuit for Breakfast then got the children off to School then Mrs Kendall Called of an erron to Alice but she was not yet here She came before ten and spent the day we took her over Home this evening I did not get much done to Luenes dress gave the children their bath also Grand Pa one and now I must hie to bed All usually well

Saturday, November 6, 1897

It looked nice and bright when we first got up but it

commenced to rain and we had such a shower the clothes did not get dry I dressed the old Rooster for dinner tomorrow I finally succeeded in finishing Luenes dress. popped some pop corn to night Jennie has company this evening Mrs Gerrald came in this after noon all about as well as usual

Sunday, November 7, 1897

Oh my but this was a frosty morning and cold too quite a frost. I made some pear sweet pickel and got the old rooster on to cook I trimmed Grand Pas whiskers and washed his feet and got him ready to start home in the morning fixed his lunch this after noon Jennie went down to the Base ball game and out again tonight Wilkie and Agnes came over this eve All usually well

Monday, November 8, 1897

A very nice day although it was cold Grand Pa got started on the Six 45 train we were up very Grand Pa was up 10 min to 2- but went back to bed I got Ednas waist fitted over again now it is almost finished Mr Richt commenced to paint our House white I tried to die some goods for a school dress but could not make a go of it I was over to Wilkies Jennie gone out well

Tuesday, November 9, 1897

Pop wrote Home

Another lovely day I tried again to dye the grey goods but failed again even with the Tannery dye I went into Wilkies to see her sister Jennie soon called Mrs Dunning was here to have me go down town with her I went and did not get home much before dinner over to Wilkies again and made Pop a Silk Protector like her pattern sewed on Edna's black dress did not

accomplish much Jennie and Edna down town this evening  
Jennie got company well-

Wednesday, November 10, 1897

A fine day nice and bright all day after I got the children off to school I took Edna's black and red dress down to Miss Hughes she thought I could fix it but I could not so I took it down again this afte and we finially succeeded in getting it planned I was over to town and to Mrs Bensons Mrs Holmes here to Lunch I also read a very sad letter from home just used me up all rest well

Thursday, November 11, 1897

Cloudy today and looks like rain I went in to Wilkies and wrote a letter Home also fit Ednas waiste lining washed out all the flanery and two blankets of flannel I went over to Dr Chamberlins he is dead died this morning at one o clock will be buried at 2- tomorrow I also went out to Dr and had some butter milk came Home and went over to Buckleys & Everts this evening all well as usual

Friday, November 12, 1897

This was a cold windy day the sun did not shine much till this after noon I done up the flannel skirts and two blankets but did not accomplish much Pop and I went over to Dr Chamberlins to Mr C- funeral it was a large funeral Mr & Mrs Colins went out and came back with us we took Mrs Collins home I cleaned our room all as well as usual.

Saturday, November 13, 1897

Not much sun shine today Oh my but I did put in such a

miserable day felt too mean for any use CRC called Early this morn I did not do any washing the Painter still here. Bertha came in this after noon Jennie Has company to night Pop read a letter from McKay. I started to Crochet Booties got one done and the other one almost finished all usually well -

Sunday, November 14, 1897

Such a night as I did put in did not sleep very much and have felt miserable all day the children went to sunday school and the two little ones went for a walk with Pop Jennie went to the Base ball game and is Home tonight. I did not even write a letter I felt so bad Read some in Edna's new Library book. How Dick & Mollie saw London well.

Monday, November 15, 1897

Cold this morning but Pleasant this after noon I cleaned up Luenes School dress this morning and some of the silver then I had my breakfast and Brownd 4 boxes of our coffee and put on some muscat grapes on to cook for jell this after noon I spent at Mrs Dr Chamberlins had a nice chat with her Oh how I feel for her she is so alone I knit a little this evening and helped the children on their music and pieces all well-

Tuesday, November 16, 1897

Cold this morning the Painters are still here I made 3 glasses of muscat grape jell this morning Agnes came over at noon and wanted me to go down town to see A Trip to China town Played I went it was very good lots of fun. I had a severe stomach ache this after noon Read a letter from Cousin Sallie and one from Home I did not do much sewing all well

Wednesday, November 17, 1897

Another nice day Oh my such a time as we had getting the Paint off those old door Screens it took all fore noon Jennie & Luene both helped some this after noon Jennie and I had a tussle with the old Sitting room lamp Mrs Litchfield came in this afte I did not get much sewing done Jennie gone Home Painters still here All usually well -

Thursday, November 18, 1897

Luenes eighth Birthday

This has been a nice day I put in on Edna's dress and got the waist fit and the Skirt done to the Belt helped Jennie clean the lamp burners some and made the frosting for Luene's Birthday cake Pop recieved his Tax receipt from Sutter Co today Mr Hold came and spent the Evening in the sitting room it is late so I must hie to bed all well

Friday, November 19, 1897

Very foggy last night and it did not clear off much all day and it came in heavy again tonight the 3 painters are still at work I did not get Edna's dress finished today either worked on it all I could and straightened up my room a little could not do much with it it does need a good cleaning got a postal the box from Home has come Well

Saturday, November 20, 1897

a Box from Home

A heavy mist was falling when we got up this morning and it soon turned into a rain and it lasted till noon but we washed just the same but they did not get dry I did not do much to Edna's dress I knot some on Pops sock though the Painters did

not come it was too damp the paint run some some too but I guess it won't matter Jennie got Co well

Sunday, November 21, 1897

Another cloudy day no rain as yet though I peeled some pears and got them on to cook for pear butter then I sliced some Citron and seeded the raisins and got them ready for the Pudding tomorrow then I cleaned the Pie palates & the Skillet & Hot cake cooker wrote 3 letters one Home and one to Ola and one to Mrs Pope Agnes & Wilkie came in this evening Jennie gone out all well

Monday, November 22, 1897

This has been a nice after noon till late this evening then it clouded up a gain and looks like rain to night Mr Richt came up this morning I made my pear butter and my Carrot pudding read a letter from Home Grand Pa will be here Wednesday night I went over to the Dr this afte and took Mrs Martha Wilson down town Pop read a letter from Mr Eafson I did not sew much All usually well

Tuesday, November 23, 1897

It was rainy this morning when the children started for school but it cleared off and it quite nice now read a letter from Mary Spink I made the pleating for Edans dress and got it all most all on but it does hurt my side to sew Jennie down town twice to day and now she is out a gain Luene does not seem real well Mr Dunning came over and brought a nice jar of cream All usually well

Wednesday, November 24, 1897

Oh how it did rain this morn about eight O Clock the painters had to stop the Palm Theater burned down at 2 O Clock this morning I had a buisy day dressed the turkey and stuffed it made 4 mince Pies got the pumpkin ready for pie & cakes cleaned a lot of tins made Grand Pa bed he came down to night wrote a letter Home gave Grand Pa a cleaning Agnes came in Oh my but I am tired Luene better rest all well

Thursday, November 25, 1897

This has been a fine day quite cold though I made 2 pumpkin pies then whipped the cream for the cake. after break fast I washed the dishes and put the Turkey in to cook then I cleaned out Grand Pa's ears then I made the Biscuit & we had dinner Mrs Gerald came in also Bertha Pop G.P. & the children went for a walk I helped Jennie a little on her dress started a little shirt All well

Friday, November 26, 1897

Another nice day but cold The painters finished today I worked on Edna's dress but did not get it quite finished read a letter from Ola she is no better. I went out to Dunnings and spent the aft got not Half of my shirt finished the children went down to practice their duett Pop read a letter from Broughton All Well Jennie gone out

Saturday, November 27, 1897

Another fine day Jennie and I washed Pop Painted the Bath room floor I finished Edna's dress the two little ones went down to see uncle tome Cabin played Edna went to the Church Ted\* with Vance I fixed my old Pongu waist to take up Home Wilkie came over this afte and I had a Talk with Mr Mann and Agnes

this evening I was over to Wilkie all well Jennie out

Sunday, November 28, 1897

You guess this has been a fine day But I have not felt well at all and do not at this writing Oh my what I have not done we are all ready to start for Sutter in the morning I went in to Mann's to say good by and over to Wilkies for a short call Agnes and Wilkie were in this evening. I also went over to see the Dr and to get my bottle filled All the rest well -

Monday, November 29, 1897

We were up early this morning Jennie got the Break fast I could not eat much we started at 6:45 had good luck till we reached Rose Ville and there we had to wait for half hour for the Overland Train so we were late at Mary Ville no street car then so a cab brought us over here for \$1.00. We are at the Winsor Hotel for the night I feel much better than I expected to G.P. is in bell and I must got there

Tuesday, November 30, 1897

I did not get up till seven this morning had Breakfast then we went down stairs and I meet Mr Durean and went into the store after the children came in for school we took the bugay and I drove out Home. meet Mr Stabler and GP got out and went back to town with him he brought him G Pa Home for dinner I got one shirt almost finished Bill out to the other place All Well-

Monday, December 1, 1897

Oh my how the north wind did blow just a gale all day I did not sleep much. Pa and I got ready and and I drove Daisy up to Rickolts found Ola a little better got our business attended to up

here all right and I guess will return in the morning. we played a game of Whist Roy and I wone the game my side hurts me tonight all well as usual

Tuesday, December 2, 1897  
north wind

Was up early this morning had breakfast and about 10'O clock we started for Home. reached here about 12- after Grand Pa & I had dinner we went down to Yuba City and had a talk with Mr Sanborn. he advised me to Telegraph to Pop which I did Oh my such a day I hope I may never be Called on to go through again I am almost down sick

Friday, December 3, 1897

A very pleasant day I was up very early to day had Break fast after which Mattie and myself ironed almost all fore noon got dinner after then G-Pa and myself went down town to talk matter over with Mr Sanborn Bill came down also. G.Pa and myself went over to Marys Ville called on Mrs Hieyl G-Pa gave us the certicifacates of deposit of \$1,000 for each one All well letters from Home

Saturday, December 4, 1897

A most beautiful day after I got our beds made and rooms all straightened up I churned and helped Mattie get the dinner after them her Mabel True & myself went over to Marys Ville I bought silk Jennie enough plaid for her a waiste and Luene a plaid dress came Home had Supper Pop did not come Bill went in to meet him I fixed my sleeves tonight they slit All well

Sunday, December 5, 1897

This was a nice day but cold we did not get up very early after Breakfast Mattie Mabel & myself went out to Sutter City put out two Roses on our hat called at McPherris they were not at Home called at Beckies came Home had dinner and I took G-Pa over to Popes and I went to Mrs John Cns tolts\* for a call came Home and stayed by the fire it looks like rain tonight Oh My God if Pop only will come Well

Monday, December 6, 1897

C-R-C called on Edna for the first time

Oh how the wind did blow this morning and it was cloudy and rained a little about 10' Ricketts came and GPa and I went down to Sanborns to see Pop he came out home with us after dinner Pop and I went in town I got a book for Edna & one for Alverda a piece of plaid for a waist for myself Mabel is still very sick don't know yet if I will go Home tomorrow or not Pop is here to night All rest well

Tuesday, December 7, 1897

Cloudy early this morning but it cleared off and we started out to our ranch we had not gone far before it commenced to rain it stopped just before we got there found them at Home and very pleasant had dinner and drove all the way Home in the rain did not get very wet I do not feel very good to night am all packed for Home tomorrow it still rained & blows Well

Wednesday, December 8, 1897

It was nice this morning and after we got up and had Breakfast Bill hitched up and took us in to the train we got there just in time to see the train pull out so we went to the U.S. Hotel had dinner took the noon train and arrived in S.J. about Six went

to Mrs Branch and got two rooms had Supper at Page and Falch Bakery Pop went out to see Mrs Fox I feel Better than I expect to finished the Shirt sleeves Well

Thursday, December 9, 1897

Cloudy this morning but it did not rain after we were up, we went down to the Page & Falchs Restaurant and had our Breakfast then Pop went down town for a while I stated at Home Mrs Branche's with G-Pa after Pop came Home G.Pa Pop & I went out on the Vai Linchia street car for a ride came Home and Had dinner and took the 2-15 narrow Gage train and came Home found all well and we arrived

Friday, December 10, 1897

Not much sun Shine to day although it did not rain I cleaned up my shoes and black dress fixed G.Pa toes and washed his feet CRC called just about noon Wilkie came over twice to day also Mrs Holmes called Pop and I went out to Dunnings did not stay long. I am still knitting I feel miserable tonight the breakers are roaring and making a loud noise All rest well.

Saturday, December 11, 1897

Misty all most all day but Jennie washed just the same but did not get the clothes out I mended Luenes blue and plaid dress and my waiste and gloves did not knit much helped the children with their music they all took their lesson today Edna did not take her lesson yesterday Jennie gone out this evening Pop is not very well tonight neither do I feel very good rest all well

Sunday, December 12, 1897

This has been a fine day nice bright and warm I got the children off to Sunday school then I fixed G-Pa toe and cleaned out his Ears and brushed his hair then I wrote 3 letters one Home one to Lib one to Cousin Queen one to Florence Gaige one to cousin Sallie Mrs Mann came in also Mr Marbut and he remained to Lunch Jennie went out my head aches all well-

Monday, December 13, 1897

Another nice day. I ironed a little this morning before breakfast got the children off to school then I washed the dishes and went over to Wilkies to take her fruit and jars Home this afte Pop and I went down to Miss Hughes and down town came Home late Mrs Smith called also an old peddler Jennie gone Home to stay all night Luene vomited and is not very well rest all well

Tuesday, December 14, 1897

Cloudy early this morning with a little rain north wind this evening. I cleaned up a suit of G Pa clothes and Pops coat fixed up Luene 4 pairs of Hoes. Started to knit Codys wash rag done some of the mending Jennie gone out Alverda recieved a letter from Muriel Grey my side is very painful and has been almost all day I am taking Harlam Oil rest all well

Wednesday, December 15, 1897

This was a nice day but cold this morning mended 4 pairs of Hoes for Luene and some Socks for G-Pa & Pop this after noon I went with Pop to take Luene for her music paid Mrs Benson till after Vacation 5100 Bought some Turkish toweling for wash clothes also Edna some pants 13 5C per pair Some 4 yards blue & pink Ribbon called on Florence and Mrs Everts

also spent the evening at Wilkies all usually well

Thursday, December 16, 1897

Cold this morning But just the same Pop took G-Pa and myself down town and to give Eliza and Jose their Certificates for one Thousand dollars found them both at home. We also went to see Mr Snyder about the under clothes and my cape. I also went down to Miss Hughes this after noon to get sleeves in my black dress got them almost finished. I knit a little tonight feel better all the rest are well

Friday, December 17, 1897

Another cold morning after we got the children off to School I went to work on my black dress sleeves I finally got them finished and ready to wear this after noon after I got the beds aired I got ready and had dinner got the children dressed and off for the last days exercises I went down also, and called at Mrs White and stayed till Alverda came Home cleaned up our room and GPa all are usually Well

Saturday, December 18, 1897

This has been a most Glorious day but a heavy frost and cold as it has been for several mornings. I helped Jennie wash till almost ten then we had breakfast and continued to wash till one She and I finished the two plaid Tam O'shants for A- & L- I knit a little tonight Jennie gone out Fannie came over and brought the children each a fancy box of candy all well-

Sunday, December 19, 1897

Oh my but it was cold this morning it was almost 8 before I was up had Breakfast got the children off to Sunday school then

I went over to Wilkies twice but did not find her at Home went after dinner and Agnes went over to see the Dr did not find out much Mrs Witmore & her Baby and the Two Buckley children came in this after noon Mrs Gerald came in also I do feel very good Head ache rest well

Monday, December 20, 1897

Another cold day with plenty of ice Oh my but it was cold I ironed a few pieces then I went down to Mrs Hughes to get my Grey dress fit did not get Home till Past 2 had Lunch down there read a letter from Ola went out to Mrs Dunnings this afte Mrs Jenney came with Jennies Book but she did not want it so G.Pa took it it is a very nice book I think Pop plowed Jennie & [name] went down town well

Tuesday, December 21, 1897

Oh my but it was cold this morning plenty of ice too I finished two of Cody's wash clothes Wilkie came over I recieved a Photo of Willies little daughter Pop took G-Pa Edna Luene and myself down town I got the things for Mrs Dunning and sent them out by him I took my grey skirt down to Miss Hughes for her to fix. I went in to Wilkies a few minutes this evening G.Pa got his new under clothes all usually well

Wednesday, December 22, 1897

Still another cold day I finished 3 more wash clothes this morning recieved a letter from Alice Gray and answered it this after noon I also went over to Manns she was not in I also went down to Mr Perry's with Edna bought a Comb recieved a box from Cousin Queen 3 dolls Hats once for Each of the children and a white silk Hand'Chief and I a Handkerchief and case very

nice All usually well-

Thursday, December 23, 1897

Cold again this morning I seeded some raisins and  
Blanched some almonds ready to salt tomorrow dressed a  
Turkey this after noon I went down to miss Hughes her mother  
is worse Pop and I went down town after I came Home and and  
was making our bed and Sprained my thimble finger so bad I  
had to go over to the Dr and have it bandaged Jennie took the  
children down to the Congress School Tree all well-

Friday, December 24, 1897

Cloudy today and warmer I made 4 mince pies and such a  
trial as they were too with my finger done up. Wilkie came over  
also Mrs Mann I sent Dr Chamberlin a mince Pie and some  
Walnuts also Mrs Holmes some mince meat and Walnuts got the  
Turkey stuffed and cake made and frosted I gave G.Pa his wash  
and the little children a bath Jennie gone out bought 2 Skirt  
supporter 25C All usually well-

Saturday, December 25, 1897

We had a very pleasant Christmas day I recieved a great  
many presents nice ones too Mrs Gerald came in and brought  
me three presents from the P-6- one from Emma one from her  
mother and a throw from Cousin Sallie Wilkie and Agnes were  
here to dinner Mrs Mann came in also I went in to see Wilkie  
and Agnes presents Jennie gone out tonight I read to the children  
this evening Well-

Sunday, December 26, 1897

This has been a nice day warmer though after the children

went to sunday school I wrote 3 letters one to Mary Spink Florence Gaige Mrs Struckman Emma Cousin Queen then after dinner I took Agnes and Miss House over to see Dr C- had my finger splinted again Came Home went in to Manns a while came Home had Supper wrote to Ola Sallie and Cody read some tonight do not feel real well rest all well and in bed -

Monday, December 27, 1897

helped Edna make clothes and cut some for Mrs D-

This has been a nice day the sun Shone bright all day. Jennie did the washing alone Alverda washed out the Shirts I finished one of the little D- shirts could not do much with my finger I was over to Wilkies twice to day Grand Pa went over to Joes and had dinner Mrs Holmes came over I read a letter from Cody and let Wilkie and Agnes read it I feel tired to night although I done nothing All well

Tuesday, December 28, 1897

This has been a most beautiful day so warm and nice. I browned some of our coffee and then Pop took me down town. and to see Miss Hughes this after noon He took Grand Pa the two little ones & myself out to Mr Dunnings also to the Dr to have my finger dressed it pains me tonight Mrs Steinmitz called Florence sent a note over by Baby Wilkie came in I can't do much all Well

Wednesday, December 29, 1897

Pop planted onions

Still and other fine day Oh such nice weather as we do have I cut the pattern off and sent it to Mattie of Luenes little suit then I got Ednas suit about planned out and Luene one this after noon

Wilkie and I went in to see Mr Richt do some high relief work also to call on Mrs Litchfield and Mrs Banford Mrs Benson called this morning too Jennie gone out all Well

Thursday, December 30, 1897

Another nice day I got at the diapers and got them hemmed and on the Lawn to Bleach Pop took all the children over to town to the dentist the go Tuesday to have their teeth filled I went over to Mrs Thistethwaites and stayed to tea had a nice visit with them he came to the foot of the hill with me I started the Blue & White booties Jennie gone out all as well as usual

Friday, December 31, 1897

Oh a most beautiful day again today I cleaned up our room and made the Beds dressed two chickens Put the Pumpkin on to cook went over to the Dr and down town came Home made cake then this evening I went over to Wilkies Mrs Mann came over and brought the Pink plants I gave them all a bath so am now ready for mine Jennie gone out all well-
