TWENTIETH ANNIVERSARY EAGLES

The local Eagles celebrated the twentieth anniversary of the lodge on Saturday night. There was much disappointment at the inability, on account of previous engagements, to get the state chief here, and other visitors who had been expected. The one hundred and four who sat down at half-past seven to the banquet at the Garibaldi were, however, fed and

entertained to the limit, and had no time to miss anybody. Eleven charter members were present, and seated at guests of honor. The committee in charge of the evening was H. L. Beck, chairman, Walter Hodges, J. J. Roney and Charles Gillen. Program numbers included a talk on the history of the order by Mr. Roney; other remarks by Dr. F. W. Morgan and Frank McCarrier; a violin solo by Arthur Gunderson; the Hawaiian Four from the New Santa Cruz theater; a song by L. Masterson; songs by Jim Perez; a Hawaiian dance by Miss Ethel Seeley of San Francisco; an orchestra headed by Lowell Rountree interspersing lively music.

Walter Hodges had gone to much trouble on the program. H. L. Beck was toastmaster.
